

RPC Staff Learning Event

Purpose:

- To Increase Participation Rates in the KCTC Youth Survey
- To Share Effective Strategies of Increased Participation

Tips for Getting Districts Registered...

- ❖ Identify a contact/supporter in the district
- ❖ Identify a supporter from the community who is known and respected
- ❖ Help these contacts register and organize survey administration

Getting Districts Registered

- ❖ Communicate with the district
- ❖ Share data from previous years with the districts
- ❖ Keep up to date with districts and there registration status
- ❖ Communication with us

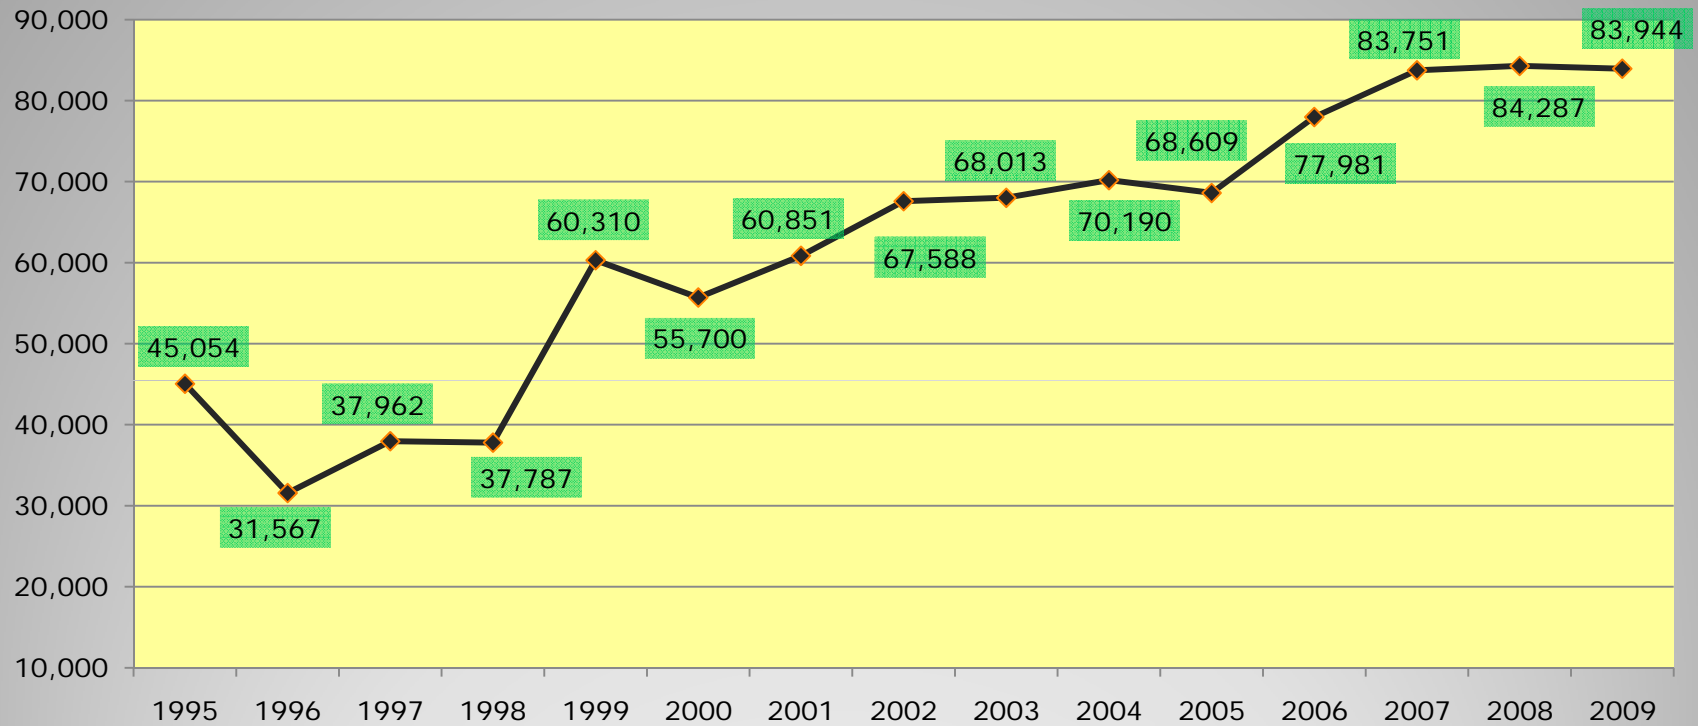

Getting Districts Registered

**Tips for
Increasing Participation
in your Districts...**

Number of Students Participating in KCTC Student Survey 1995-2009

Annual Participation

- ❖ Get the teachers or staff administering the survey on board
- ❖ Stay in contact with the survey coordinator
- ❖ Coordinate with the district the best time to administer the survey
- ❖ Avoid Friday and Monday survey administration
- ❖ Avoid survey administration immediately following Christmas break

Increasing Participation Rates

- ❖ Offer incentives for meeting participation goals and get prizes donated if the goals are met
- ❖ Both public and private recognition given to Supt and coordinators for their involvement and work on the survey
- ❖ Have a presence at the school during administration and offer any help needed
- ❖ Make sure the surveys get packaged up and returned to us

Increasing Participation Rates
